

THE FLORIDA MESSENGER

Official newsletter of Phoenix House Florida

A Message from the CEO

As we head in to the month of February, we look toward ensuring we focus each day on achieving our mission of healing individuals, families and communities challenged by substance use disorders and related mental health conditions, by providing the best quality treatment to all who walk through our doors.

We celebrate the heart of our organization... our network of dedicated donors, partners, advocates, families and staff members who inspire our growth as an organization and ensure improved health and success in recovery for the people we serve.

Thank you for your continued support of Phoenix House Florida!

Program Spotlight

QUILTING IN RECOVERY

The Women's program began a project in December 2019, with each one of them decorating and personalizing their own quilting square!!

By the generosity of a local supporter, a nice sewing machine with all the accessories, was donated for the women to use to put all the pieces together.

We plan to keep and hang it in the hall of our unit to honor those who have gone through our program...so it's meaningful to everyone who sees it!

Basketball for Recovery

Join us in the fight to break the stigma by attending Lakeland Magic *Basketball for Recovery* night. The night is dedicated to Substance Use Awareness. Click on the picture above to purchase tickets.

Come out to support Phoenix House Florida and Basketball for Recovery while enjoying local artists for Art Night. The Lakeland Magic and Phoenix House Florida are teaming up to support those in our community struggling with addiction. A portion of all tickets sold will benefit Phoenix House Florida.
