Residents are not allowed to wear clothing, which promotes the use of alcohol or drugs or is degrading to any gender, race, or religion.

Someone is at that desk everyday. 24 hours but M-F, 9am-5pm is best time to drop off.

If it is the first time drop off it can be brought on visitation day Sat – Men // Sunday – Women

Would be good to have the them come M-F but depending on distant they may need to come on a weekend.
