## Our Mission

We are passionate about healing individuals, families, and communities challenged by substance use disorders and related mental health conditions.

# Celebrating 25 Years of Hope and Healing

Phoenix House Florida provides individualized, holistic drug and alcohol addiction treatment, with a legacy spanning 25 years. With short-term and long-term care options, we treat those struggling with substance use disorders wherever they need to be – at home or in a treatment facility.

# Your Support Creates Opportunities

From our beginnings as a fledgling treatment center to our recent grand opening of our second outpatient facility, Phoenix House Florida has created a legacy of hope and healing in our community. Your support will help us expand our services in the coming years, as we seek to provide treatment and care for more individuals throughout the Greater Tampa Bay area who are in need of comprehensive recovery services.

# Sponsorship Opportunities

Please consider sponsoring the 2023 RISE Gala. Your support will help us continue healing individuals and families struggling with substance use and co-occurring mental health conditions.
